Snow 1/2 Rick Rack (3yd)

da: Lady Dot Creates

Modello: ACCHOFT-188

The most fanciful ribbon par excellence, known as "rick rack", but "refreshed" in a brand new version, hand dyed in the USA. It's perfect for finishing your needlework projects or anything else you'd like to, extremely versatile and unique in its color, since the painstaking hand dyeing results in ever-different - though similar - shades. Free your creative flair with this traditional, still very modern, trim!
