

Threads & Yarns - Apliquick - Appliqué Invisible Threads

Invisible Thread

da: Apliquick

Modello: FILAPQ-AQ-F00

A must item in blind stitches on sewing machines. Single strand nylon 100%, 2000m long, light coloured, proper elasticity to avoid sewing tension or wrinkled fabrics and prevent breakings. It's able to be used as an upper or lower thread in bobbin. Also suitable for quilting. This smoke transparent color is perfect for dark fabrics.

Expected restocking from Friday 30 September, 2022.

Price: € 10.00 (incl. VAT)
