Price: € 11.81 (incl. VAT)

Half Hex Acrylic Ruler

da: Ez Quilting

Modello: ACCEZQ-8829468

Cut various sizes of half hexagons. Fold fabric in half to cut full size hexagons. Create half hex shapes without having to create Y-shaped seams. Acrylic tool can be used to trace and scissor cut or use with a rotary cutter.

Templates are thick and sturdy, so they will stand up to years of wear. This 4.5x10 inch package contains one Half Hex Acrylic Ruler.

Quilting Tri-Recs Tools

da: Ez Quilting

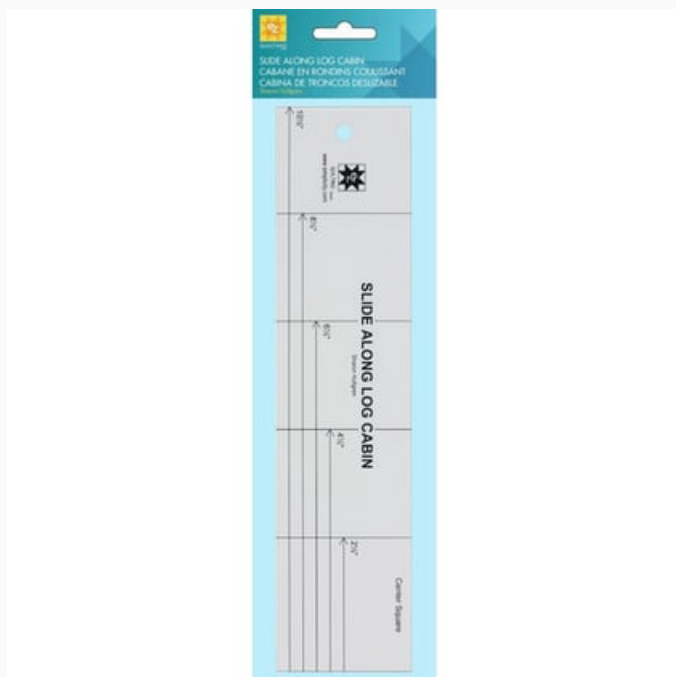

Modello: ACCEZQ-8823753

WRIGHTS-Tri-Recs Tools are thick and sturdy, so they will stand up to years of wear. Includes the Tri (Triangle) and Recs (Rectangle) Tools which have become a generic name for the triangle in a square block. These tools fit together perfectly and are designed to cut pieces from strips that will sew together simply and accurately. The special nips on the corners are designed specifically to assure that seams will be straight and finished blocks align properly. This 2 piece set makes it easy to make triangles within squares and divided rectangles. Also includes an instruction booklet. Includes one 6" x 6.75" x 6.75" triangle with 1/4" seam allowance built in and one 6.5" x 3" x 6" rectangle with 1/4" seam allowance built in.

Price: € 26.45 (incl. VAT)

Quilting Slide Along Log Cabin Acrylic Ruler

da: Ez Quilting

Modello: ACCEZQ-8829473

EZ Quilting rulers, templates, and tools are ideal for all of your quilting projects. Designed to work with a rotary cutter, they aid in cutting straight lines and perfect shapes. The rulers and tools are made from clear acrylic, allowing you to see the fabric underneath, and they're thick enough to prevent the rotary cutter from jumping over the edge. Create a traditional Log Cabin block with this tool that's designed for use with jelly rolls. It allows you to quickly and easily cut the necessary rectangles for the Log Cabin pattern.

Price: € 11.92 (incl. VAT)

Quilting Square 45 Degree Acrylic Ruler

da: Ez Quilting
