

Coudre ma maison éco-responsable

da: La Plage

Modello: LIBFR-9782842218027

Teaching you how to create reusable objects and go for a zero-waste, plastic-free and environmentally conscious way of life; this is the goal of this book.

Inside it, you'll find plenty of great ideas for your kitchen, bathroom and more ... With simple instructions and tips and tricks on how to sew or knit the cutest and, more importantly, sustainable accessories using just some fabric scraps, strings and old wool.

Author: Sonia Lucano

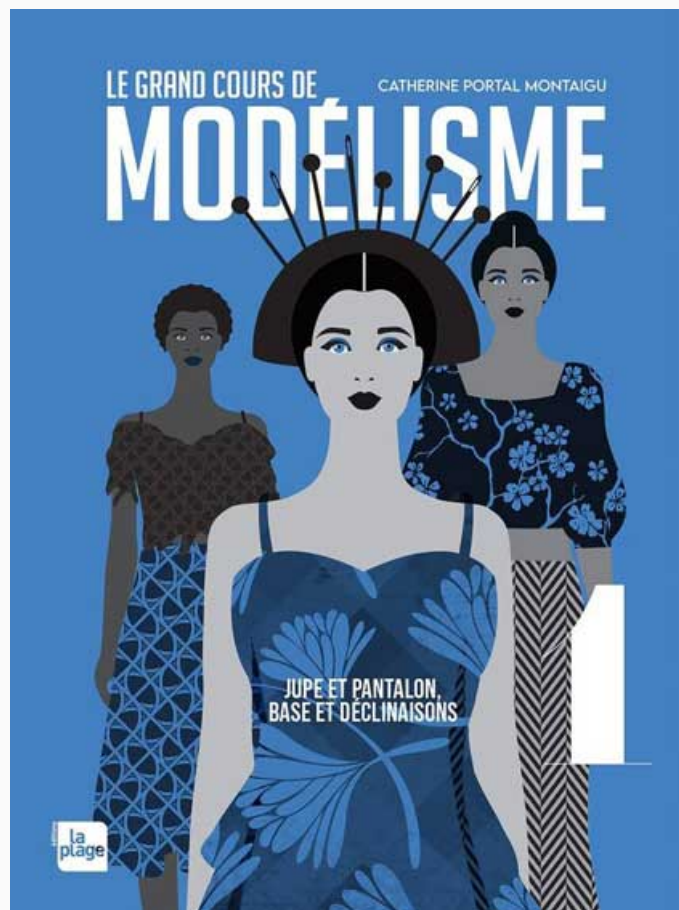

80 pages in French.

Price: € 12.90 (incl. VAT)

Le grand cours de modélisme tome 1

da: La Plage

Modello: LIBFR-9782842219109

This insightful work explains step by step how to create "from scratch" the pattern for any "made-to-measure" women's garment.

This first volume shows how to create your basic patterns - skirt and pants - adapting them to your true measurements and how to achieve an impeccable cut for a multitude of projects, from the most classic to the most creative.

The chapters "Testing and alterations" explain in detail how to adapt each basic to all body types.

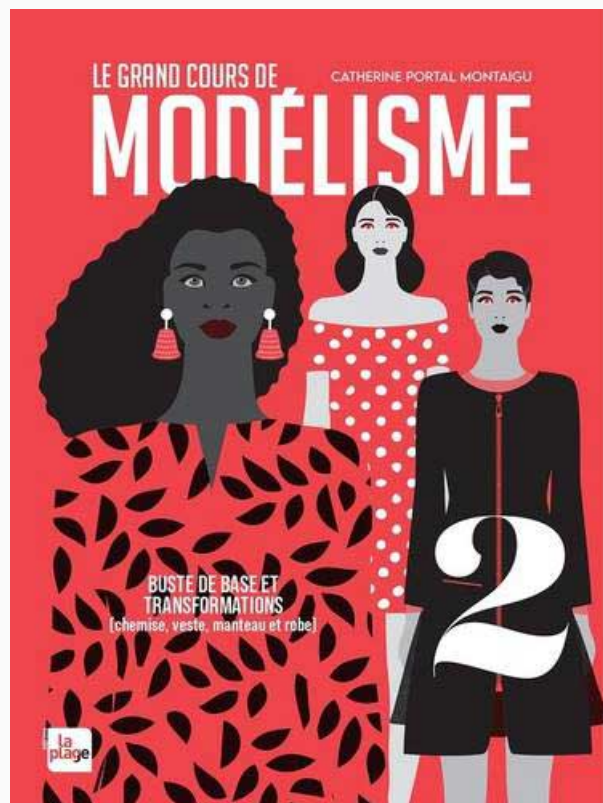

Author: Catherine Portal Montaigu

512 pages in French.

Price: € 49.95 (incl. VAT)

Le grand cours de modélisme tome 2

da: La Plage

Modello: LIBFR-9782842219116

This insightful work explains step by step how to create "from scratch" the pattern for any "made-to-measure" women's garment.

This second volume teaches you how to create a basic bust with its true measurements and how to obtain an impeccable cut for a multitude of projects (jacket, dress, coat, bustier, etc.).

The chapters "Testing and alterations" explain in detail how to adapt each basic to all body types.

Author: Catherine Portal Montaigu

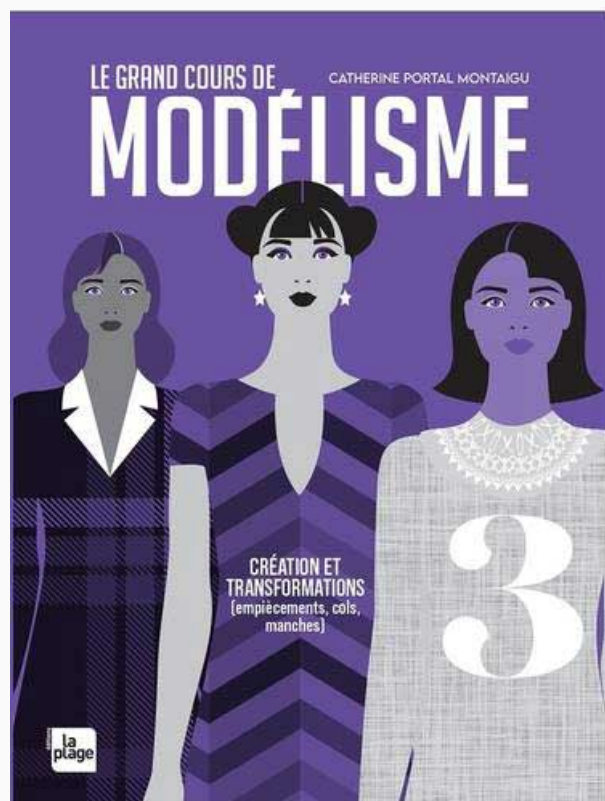

512 pages in French.

Price: € 49.95 (incl. VAT)

Books and Magazines

Le grand cours de modélisme tome 3

da: La Plage

Modello: LIBFR-9782842219123

This insightful work explains step by step how to create "from scratch" the pattern for any "made-to-measure" women's garment.

This third volume shows how to create patterns for collars, sleeves and yokes and obtain an impeccable fit for all your projects, from the most classic to the most creative.
