### Angel of Mercy

da: Lavender & Lace

Modello: SCHHOF7200

Stitch count: 260 x 257

The author about this design: "Last fall, a stitcher wrote me requesting an all white bridal angel. I thought it sounded like a great idea and designed an angel in a white satin gown edged in light blue and embroidered with pearls. I made her head turn towards the stitcher, reaching out in a beckoning way [...] She was not "perfect" until I added the little girl. Originally this angel was to be called the Angel of Peace. After drawing the little girl, I decided to change her name to the Angel of Mercy."

### Angelica

"Angelica" is an angel embellished with rich tapestry brocade (celery, deep blues, subtle oyster blues and burnished golds)... her flowing hair encircles her face and she is holding a garland of deep red roses that swirl around her. Her romantic image was inspired by pre-Raphaelite paintings. She could be stitched without wings and still be as lovely. She has clusters of robin egg blue beads that look like lace.
