A Wedding Rings Pillow

da: Giulia Punti Antichi

Modello: SCHGIU-awrp

A Wedding Rings Pillow

A design made by Giulia for a couple of friends with a romantic and antique style. The sentence on the embroidery is by George Chapman, an English poet and theatre artist of the XVI century. In this cushion we can find different symbols of antique samplers which add value and meaning to wedding and marriage.

The chart includes the complete instructions for the embroidery and its assembling.

Stitches: cross-stitch on 1 and 2 threads. Back-stitch, Smyrne stitch, Montenegrino stitch, all well explained in the chart.

Note: accessories are not included.
