Church Hassocks

da: Beth Russell of Designers Forum

Modello: LIBBET-CHURCH

These original designs incorporate classic religious symbols and are shown here in the church of St James the Less in London, echoing the colours of the beautiful stained glass windows.

This practical 16 page booklet comprehensively covers all you need to know about creating these kneelers, giving you information on stitching, framing and making up. It is an essential part of any kneeler scheme.

8 designs photographed in colour with life-size black and white charts. The examples were worked on 12# and 14# to the inch canvas.
