

## Thread Organizer

da: Fabric Flair

Modello: ACCSEW-TCO

Organized threader and cutter on the back, made of robust plastic. Always on the back, this organizer has also a very comfortable paper strip where you can write and re-write several times the numbers of the threads. It is perfect also for travels and on the plane since the invisible cutting blade is entirely inside the cutter. Available in the following colors: white, yellow, red, green or light grey. Color depends on availability.
