Cable-stitch needles Yoga with cable, 4.0 mm.

da: Pym

Modello: ACCPRYM-191112

A two-piece pack containing the Pym Yoga cable stitch needles, to knit cable stitches and the most complicated knitting passages, thanks to the possibility of bending them in the most varied shapes - hook, U or corrugated shape - and being sure that they stay in place, thanks to the sturdy wire core inside their cable. Therefore this needle simultaneously offers a variety of practical functions: cable-stitch needle, auxiliary needle, stitch holder, stitch marker altogether. And when not in use, they can be placed comfortably around the wrist.

The combination of two materials offers a further highlight, because the soft, matt synthetic material of the needle shaft with its "grip" ensures that open stitches are secured, while the smooth, drop-shaped ends of the needle pick up the yarn with ease and so ensure that your knitting is a relaxing past-time. And no problem in case you've dropped a stitch, for this special needles makes it simple to knit dropped stitches back to the top of your work! Dimensions: 20cm. - Ø 4.0 mm.
