Tailor's scissors, gold, 20cm.

da: Prym

Modello: ACCPRYM-610565

When it comes to these scissors, all that glitters is truly gold, since these professional dressmaker's mainly impress due to their steel grip with shiny gold coating. These dressmaker's scissors are hot-forged by hand from high-quality steel, sharpened by hand, and extensively checked for quality. The special thing about these steel, shiny blades is their serrated blade - this ideally prevents slippage in challenging fabrics such as silk or synthetic fibres.

Prevents fabric from slipping, Gold-coated steel grip, Hot-forged and sharpened by hand.
Dimension: 20 cm. Material: steel 100%

Price: € 51.00 (incl. VAT)
