## Knitting Mill MIDI

da: Prym

Modello: ACCPRYM-624168

### Knitting Mill MIDI

Knitting machine to work Midi Knitwear (20 reverse stocking stitches and 16 purl stocking stitches). Color Dark purple/Dove grey. Extremely resistant plastic structure. Insert the thread, rotate and you're done. Knitting has never been so easy, no matter if it's straight or tubular.

How to do it: The tubular work is done on 20 hooks. Rotate the handle clockwise. A tubular of 6 cm Ø and 20 cm circumference will form. Straight work is done with 16 hooks and by rotating the handle clockwise and anticlockwise. Surface of the worked knit has a maximum width of 12 cm. All threads for 2-6 needles can be worked with no problem except for those with a very particular effect. Amazing speed: you can knit 100 g of wool (420 m long) in just 15 minutes.

**Price: € 56.00** (incl. VAT)

## Knitting Mill Comfort Twist

da: Prym

Modello: ACCPRYM-624181

Semi-automatic knitting mill with integrated clamp for secure fastening on any table surface. Ergonomic and easy to use. Works with yarn sizes from 2 to 4,5.

**Price: € 44.90** (incl. VAT)

## Lea Home Mini Portable Sewing Machine

da: Pym

Modello: ACCPRYM-811995

A tiny yet very solid sewing machine that you can carry with you everywhere you go!  
It can be used on any kind of fabric, from the roughest ones such as jeans to the softest and most delicate silk and can be powered either by charger (220V) or batteries (4 double A batteries, not included) which means that you can use it anywhere and due to its small size you can store it even in the smallest spaces, even your suitcase!  
Some of the Lea Home Mini Sewing Machine features are:

- Switch operated double Speed
- LED sewing light for easy threading, it allows you to see all the little details in your work;
- Auto winding
- Seam ripper
- Hand switch or foot pedal to start
- Size: 20 x 18 x 10 cm circa

Package contains:

- 1 Mini sewing machine
- 1 Presser foot
- 1 charger (220V)
- 1 replacement needle
