SCHCCN-
NUTC-
VILLAGE

11 month, 11 patterns - one by one - starting from November 2021: it's called Nutcracker Village and it's the new Mystery SAL designed by Nikki Leeman, founder and designer of Country Cottage Needleworks. A series celebrating one of the most beloved Christmas fairy tales: that of the nutcracker and Clara, re-imagined by the well-known US designer as the owners of a shop in their village! The first chart - Clara and the Prince - is larger than the other ten, with its 118x71 stitch count. The remaining ten charts all have a stitch count of 59x71. If you choose to stitch them all in single "sampler", as suggested by the designer herself, the

total stitch count will be 236x217 and you'll just have to leave 2 stitches between each of the horizontal rows.

All the 11 charts are to be stitched on the 32ct Silver Raw Belfast linen from Zweigart, with Classic Colorworks hand-dyed threads and DMC stranded cotton.

Casa Cenina offers you the possibility to make sure not to miss this series, with a unique kit, including the necessary linen (Silver Raw 32ct. Belfast Linen from Zweigart), all the hand-dyed threads (27 skeins from Classic Colorworks and 4 skeins from DMC) and the first pattern.
