Cucikolla

da: CasaCenina

Modello: KITCEN-KUCICOLLA

A professional, yet extremely easy, product for all the fans of creative sewing and hobbies: a brand new concept of "fabric glue", for it's a co-polyamide adhesive in powder that's activated and fixed with a simple "pressing on" with the iron! Definitely a revolution, because it avoids basting and/or sewing in a whole lot of crafty applications: you can use it for making hems and for patches and applique; as well as to mend torn fabrics and to create with fabrics and felt. Suitable for dry cleaning and traditional washing, up to 60°C. 45-gram tin jar.
