Love to Sew: Crazy Garlands & Bunting
A modern take on traditional bunting and garlands, these imaginative designs are easy to make, packed full of fun, and provide an eye-catching addition to any room in the house. Garlands and bunting are popular adornments for the home and all types of celebration. Here, Alistair Macdonald has given these traditional decorations a thoroughly modern twist and created 20 fun and fabulous projects that will make an eye-catching addition to any home or party. There are projects that are perfect for kitchens, bathrooms and childrens' bedrooms, as well as Christmas, Halloween, Chinese New Year and summer parties. Every one of them is packed full of fun and designed to use a range of materials and fabrics in unique and imaginative ways. Requiring just some basic sewing skills and a great sense of humour, you might choose to make a gorgeous string of 3D hot-air balloons that are just perfect for a child's bedroom, or if you'd prefer, a sensational sausage string complete with felt bacon, eggs and mushrooms and hanging teabags that is bound to get your friends and family talking over the breakfast table. There's no end to the author's creativity, and every project in the book is guaranteed to delight and inspire you. At the start of the book there is guidance on materials, fabrics, sewing equipment and basic techniques, and templates are provided where these are needed. This book is ideal for sewers of all abilities, especially those looking for new and fresh ideas.

- 20 fun and fabulous projects to excite and inspire you

Modello: LIBDC-9781782212003

50 Ribbon Rosettes & Bows to Make

This delightful collection of 50 decorative ribbon projects—some classic, some whimsical, some elegant—will prove irresistible for anyone with an interest in craft. Among the world's first decorative items, ribbons were once reserved for the nobility, but spread to the middle classes by the 1800s. Braided, folded, and manipulated, ribbons were not only used as embellishments on outfits and hats, but also given alone as special gifts. In this book you'll find 50 modern ways to “play” with ribbon, with detailed instructions and stunning photos, sure to inspire creativity for beginners to advanced crafters. The book is organized into three sections. First, you'll learn the basics of working with ribbon, along with an explanation of different types of ribbon and the tools needed to create a professional look. Then, choose from among the many different types of ribbon projects: Fashionista Flair, Timeless Toppers, and Flower Power. In the final section, you'll learn how to combine different ribbon-crafting skills into stunning “Over The Top” projects, such as large layered hair bows, funky flip flops, sashes, and ribbon flower arrangements.

- The projects are grouped into four main chapters: a beautiful collection of hair accessories and jewelry; some eye-catching gift wrapping ideas and presentation boxes; a wide range of floral designs; and a charming selection of projects combining all of these ribbon-crafting skills
 - Each design features written instructions accompanied by clear step-by-step illustrations, and absolutely no experience is necessary: the reader will pick up all the expertise needed as they progress through the book

Twenty to Make: Crocheted Flowers to Wear
This lovely book provides 20 contemporary, stylish designs for crocheted corsages large, eye-catching floral designs that can be worn in different ways: as a brooch, buttonhole, on your wrist, shoes, bag or belt, for example. The flowers are made in a variety of sizes and styles, with different types of flower, all worked in various colours, yarns and crochet stitches. Some feature added embellishments such as buttons and beads. Some of the flowers are based on real ones, such as the pansy, lily and hydrangea, while others, such as spectrum, roux and rainbow are fantasy flowers designed by Anna. There is more variety in that some of the flowers are quite flat, while others are distinctly 3-D, giving them added appeal. The patterns are easy to follow and there is a beautiful photograph of each one, suggesting ways of wearing them.

250 Japanese Knitting Stitches

da: Search Press

Modello: LIBDC-9784805314838

250 Japanese Knitting Stitches contains the original collection of knitting stitches first published by Hitomi Shida in 1996. Copies of the original Japanese edition have been jealously coveted by knitters around the world - and now Tuttle Publishing brings you this classic in English for the first time! Hitomi Shida's previous work, the Japanese Knitting Stitch Bible was released by Tuttle in October 2017 and has already been purchased (and tested) by thousands of avid knitters who are thrilled to discover a treasure trove of elegant and intricate new patterns. This book was Hitomi Shida's first effort and, like its successor is filled with her highly original and beautiful designs and variations on knitting classics. Shida's stitch patterns have become a driving inspiration behind many modern western knitting designs, and experienced knitters know this. In this beautifully presented stitch dictionary you'll find:

- Stitches that are perfect for borders and edgings
- Beautiful and intricate cable stitches
- Elegant popcorn stitches, from refined to bold
- Multiple variations on individual patterns.

Veteran knitting instructor Gayle Roehm guides knitters through the particulars of the patterns and explains how to execute the stitches. Images of completed garments here and there help show the potential of these striking stitch designs.

5 different roses, these romantic flowers can be mixed and matched to create a natural-looking bouquet

Frilly carnations full of intricate folds and textures, these popular flowers are just as much fun in paper form

Colourful tulips, carry a piece of spring with you throughout the entire year

Delicate cherry blossoms, enjoy the wonders of cherry blossom season in your own home

3 bold sunflowers in slightly different shapes and sizes, these cheerful flowers create a sunny bouquet when grouped together

Festive poinsettias blooms that will look fresh throughout the entire holiday season and many more!

Simple instructions, templates and colourful step-by-step photos show even novice paper crafters how to create each project, and how to gather them into incredible paper flower bouquets.

The Crafter's Guide to Patterns

da: Search Press

Modello: LIBDC-9781782212195

Imagine impressing your friends and family with bespoke wrapping paper that comes straight off your home printer! The Crafter's Guide to Patterns includes 20 free motifs and also shows you how to create a pattern out of virtually any image. Whether designing your own wall stencil, or hand-printing one of the supplied motifs onto your greeting cards and cushion covers, this book gives you all the information you need. In The Crafter's Guide to Patterns step-by-step tutorials show the reader how to design well-constructed patterns by hand, while interviews with other crafters pepper the book offering advice on using their patterns and thereby equipping readers with all the skills they need to unleash their creativity. Galleries with patterns applied to a range of objects provide a wealth of inspiration and ideas to the reader. 20 motifs are printed in the back of the book and are also available to download so that readers can adapt and use these to create their own patterns. The practical advice in this book is aimed at the large readership of creative crafters who are brimming with image ideas, but are unfamiliar with the skills needed to turn those images into gorgeous patterns. The Crafter's Guide to Patterns covers everything from choosing motifs and colors to creating a range of different patterns, whether borders or full scale repeats. Once you've got through the design basics, the book goes on to show you how your patterns can be applied on everything from fabric (think bespoke table runners) to stationery, gift wrap, and stencils!

Felted Animal Knits

da: Search Press

Modello: LIBDC-9781782217510

Combine knitting and felting to create stunning, fun and realistic animals in this original book by textile designer and Knit2Felt founder, Catherine Arnfield.

Fuse two of your passions knitting and felting to create gorgeous, woolly animals filled with character.

In this incredibly inspirational and unique book, Catherine shows you how to knit, wet felt and needle felt 20 cute creatures that you, your friends and family will love! Whether you love lions, rave over rabbits, are awed by alpacas, crazy for koalas or head over heels for Highland cows, there is a stunning variety of animals for you to choose from and make.

Only basic knitting skills are required (cast on, cast/bind off, knit, purl, increase and decrease) and the wet felting process is simpler than you think!

Then, once you've stuffed and sewn them up, you'll see how easy it is to needle felt details onto your velvety friend to create a fun and realistic creature!

Whatever your skill level, a friendly and comprehensive techniques chapter is included on knitting, wet felting and needle felting, all accompanied by clear, fully-illustrated step-by-step instructions so you can dive into your designs with confidence and creativity.

The tools and materials needed are basic, easy to source and cost very little, making these fuzzy critters perfect for beginner crafters, or more experienced knitters and felters looking for fresh ideas and effortless projects.

Saltwater Mittens from the Island of Newfoundland

da: Search Press

Modello: LIBDC-9781775234586

Woolen mittens have long been a Newfoundlander's best friend. The warmer the better. In a quirky climate of freeze, thaw, blow, and drizzle, good mittens made all tasks easier to split birch, hammer a nail, gut a fish, draw and haul water, hang clothes on a line, shoot a seabird, or snare a rabbit. Social life, too, always required the finest mittens and gloves. This continues today.

These mittens are as practical as they are beautiful double-knit with two colors means twice the warmth and wind resistance. The patterns are rated by difficulty and varied in style, including trigger mitts, wristers, five-finger mittens (a.k.a. gloves), fingerless mitts for wee ones, and, of course, classic mittens for all.

The dozens of color photographs will inspire you to make your own bold color choices. The nuggets of history, and tales of mittens and their knitters, make Saltwater Mittens a book knitters and non-knitters alike can enjoy.

Anita Catita's Sewn Toy Treasures

da: Search Press

Modello: LIBDC-9781446308288

15 gorgeous toy sewing patterns reminiscent of early Tilda patterns, from a popular Portuguese sewing and fabric brand.

Step into the world of Anita Catita and prepare to be charmed by the array of beautiful toy patterns to sew. Choose from gorgeous dolls, including rag dolls, ballerinas, pirates, kokeshi and fairies, and adorable animals including cats, rabbits, ducks, reindeer, bears and sheep. All the toys are made using easy sewing techniques and full-size pattern pieces are included.

We live in an age when technology has overtaken toys. Traditional cloth dolls have been replaced by crying, laughing and walking dolls. Although seemingly attractive, these toys limit creativity. Sewn toys with their simplicity and tenderness reverse this reality and stimulate children's emotional and creative development.

Modello: LIBDC-9781782218647

Punch needle embroidery is back!

It's a simple technique inspired by rug hooking that involves nothing more than a punch needle it's like a normal sewing needle, but with a handle and the eye of the needle at the stabbing end! It can be used on any loose-weave fabric using either yarn, fabric strips or embroidery thread/floss, and creates a textured, raised finish that's soft to the touch and beautiful to look at.

The easy-to-learn technique and repetitive action makes this the perfect, mindful pursuit, and projects from wall hangings and cushions to children's toys, bags and purses can be worked up quickly and easily with minimal effort.

Author Lucy Davidson's imaginative designs are stunning, and will appeal to anyone with an eye for clean, modern design. All the techniques you need are described at the start of the book, with information on how to hold the needle, how to start and finish a thread and how to achieve a variety of interesting textures and color combinations. There are then 12 projects to try, all accompanied by charts, written instructions, a full-size template and beautiful photographs of the finished pieces.

The Art of Embroidered Butterflies

da: Search Press

Modello: LIBDC-9781782219736

In this gorgeous book, Jane E. Hall combines her love of butterflies with her outstanding talent as a textile artist to produce three-dimensional renditions of exquisitely worked butterflies that are almost indistinguishable from the real thing. Using the finest of silk threads and needles, Jane lovingly creates her butterflies using the tiniest of stitches worked on to silk. The butterflies are then placed within a setting of silk leaves and flowers, all made with the same painstaking attention to detail and expert skill as the butterflies themselves.

There is a fascinating introduction to butterflies in nature, reflecting Jane's love and admiration for these exquisite creatures. This is followed by twelve studies, including the Painted Lady, Small Tortoiseshell and the Brimstone, each presented as a finished piece along with the materials used to create them, and the photographs, swatches, drawings and paintings that inspired them. One of the most striking features of this book is the amazing photography of Jane's work, including detailed close-ups. This, together with Jane's poetic and inspiring text, make this a book that anyone who is a nature lover, embroiderer, textile artist or simply a lover of beautiful books will want to own.

Embroiderers' Guild Transfers Collection

da: Search Press

Modello: LIBDC-9781782217206

An important though largely forgotten part of the Embroiderers' Guild legacy is the huge collection of hot-iron transfers dating back to the early 20th century that were created by members of the Guild. They fell out of favour in the 1960s and the Guild stopped producing them. Many transfers were stored away and haven't been seen since those times; others were simply thrown away. Recently rediscovered and made available for the first time in over half a century, this unique collection includes 90 original designs ranging from the early to mid-twentieth century.

This treasure trove of design inspiration is presented in two separate books enclosed in a hardback folder. The Reusable Iron-on Transfers book includes 90 designs that you can cut out and store in the pocket inside the folder after use. This is accompanied by a handy Stitching Guide that includes 26 beautifully worked examples to inspire your colour, thread and stitch choices, as well as information on tools and materials, using an embroidery hoop, and 18 embroidery stitch diagrams.

Frisian Whitework

da: Search Press

Modello: LIBDC-9781800920248

From Friesland in the Netherlands, this is a style of counted embroidery dating from the 1600s. It was traditionally used on men's shirt collars, household linen, and samplers.

Whitework is usually stitched in white thread on white fabric and most Frisian whitework is worked this way. However, this technique can also have touches of colour, and some samplers are worked entirely in coloured thread. Alphabets, figurative motifs and geometric shapes are common, and they are interpreted in a wide variety of stitches, such as satin stitch, eyelets, whipped back stitch, and chain stitch; some also with cutwork and drawn thread work.

Explore how Frisian whitework featured on clothing and other textiles, and study the many photographs featuring historical examples. Yvette guides you through the stitches and techniques of Frisian whitework with clear step-by-step instructions and detailed diagrams, ensuring you'll have the confidence and skills to master ten original projects, from small through to large, with a range of useful and beautiful applications.

Stitch 50 Cats

da: Search Press

Modello: LIBDC-9781446308547

Featuring the most popular and distinctive breeds including long-haired, short-haired, hairless and even big cats each pussycat pattern comes with step-by-step instructions and full-size templates, making them purrrfect for all abilities. The finished little kitties would make cute brooches, bag charms and home accessories, or can even be scaled up to make bigger plushes, all of which will make your cat-loving friends have kittens!

Pattern, color and shape are key in differentiating each breed, so capturing these details in felt was important. Luckily, there are so many different colors of felt available, including fur-like mottled effects. Felt's non-fraying, double sided, robust qualities make it easy to create all the little details that make each cat breed so unique and instantly recognizable. She has also used small amounts of wool curls and roving to add texture for truly strokable results.

Each cat pattern can be traced straight from the page (or enlarged if you want to sew a larger plush), and simple instructions mean that even beginners can get started. And because all the cats are sewn by hand, you don't need a sewing machine.

Whether you choose to sew just your own favorites, or make cats for the other crazy cat people in your life, this book will provide hours of fun and inspiration.

Knitted Wild Animal Friends

da: Search Press

Modello: LIBDC-9781446309087

Go wild with this brand new collection of adorable knitted wild animal toys and their clothes and accessories by best-selling author Louise Crowther. After the success of Knitted Animal Friends, Louise has created knitting patterns for 12 new, wild animals in their own wonderful wardrobes. This collection includes a zebra in dungarees, an elephant in a tutu, a lion in jeans, a tiger in a party dress, a chimpanzee in a rainbow cardigan, a sloth in pyjamas (of course!), a koala in a furry gilet, a bear in a Fair Isle sweater, a hippo in overalls, a panda in a duffle coat, a giraffe in a pinafore and a rhinoceros in a day dress all with their own distinct personal style!

Louise's attention to detail means that every outfit fits perfectly and you will enjoy creating all of the details that make each one so distinctive. There are instructions for how to construct the animal dolls and outfits as well as step-by-step photography for all of the techniques for making up the animals. Louise also explains how to follow charts for the colour work details in the outfits, as well as step-by-step tutorials for any special stitches.

The animal dolls have the same basic body shape and size so that all of the outfits are interchangeable (they also work for the dolls in Knitted Animal Friends too), so you can mix and match your favourites. Or you can just make the animals!

There are so many possibilities for animal and outfit changes to make the perfect doll, there's something for everyone.

Modello: LIBDC-9781399000307

Needle felting is the simple process of transforming wool into 3D objects using a barbed needle. It's a fun craft that is easy to learn and gets amazing results. With just a few basic tools and simple step-by-step instructions, you'll be on your way to making your own adorable felted creations.

By following the basic method, many of the patterns can be re-sized and adapted with the addition of techniques such as darning, patching and stitching. All projects are designed to appeal to a broad base of crafters who will enjoy the added mixed media interest, with step-by-step photos ensuring the patterns are easy to follow, even for complete beginners.

The projects range from the quick and easy, such as small Easter Egg Dangles, to the more complex, such as a Winter Gingerbread Village. Wearable designs include an Autumn Fox Bangle and a Midsummer Rose Corsage. This new and innovative approach to needle felting widens the creative possibilities beyond the core 20 patterns so the maker can choose to flex their creative wings and discover new approaches to the craft.
