## Wax for embroidery thread

da: Au Ver à Soie

Modello: KITAUV-PSP-1

Advantages of Au Ver à Soie Wax:

- This wax is made from an homemade recipe from 100% natural products.
- It is compatible with natural silk and does not alter the color.
- It will make the silk thread perfectly waterproof.
- It keeps the silk thread better twisted.
- It improves the tightness of the finishing knot with less chance of unraveling.
- Once coated with the wax the thread is protected from the slightly cutting of cannetille and/or metal thread.

Use of Au Ver à Soie Wax: warm the wax between your hands to soften it or to reshape it.
