Les oiseaux à broder au point de croix

da: Mango Pratique

Modello: LIBFR-9782317025327

Prized for their flamboyant plumage and delicate postures, birds are among the themes dear to embroiderers. Hélène Le Berre devotes a veritable ode to them through ornithological studies and bucolic representations. Let yourself be seduced by this gluttonous titmouse, this pair of swallows, these jaunty robins--so many wonders to embroider! Don't stop in the air, create a shopping bag, pillow or birdhouse for a light and charming decoration! A talented illustrator, her embroideries are always accompanied by sketches or watercolors that allow her to hone her color palette, both soft and acidic

Le macramé: Les techniques essentielles en 10 modèles

da: Mango Pratique

Modello: LIBFR-9782317029295

When you have the technique, anything is possible: making a twist, a ball knot, sewing macramé, forming patterns... To master these essentials perfectly, you have to approach them step by step, guided by a passionate person who knows well all the problems of real beginners. The patterns explained in this book allow you to achieve two goals: to create with pleasure while acquiring a solid foundation. With each work, you will learn one to three essential techniques. By gradually expanding your skills in this way, you will gain confidence and be able to create both useful and decorative objects and accessories with flawless finishes without hesitation.
