Tomorrow's Treasures Lap Stand Oak - No Basting

da: American Dream

Modello: ACCADR-EZ101

Assembles in minutes without any tools required. This sturdy frame is fashioned from solid American Red Oak and hand finished with Golden Oak oil stain. Its Twin Pillar construction provides a stable platform for all your projects both large and small. Design features include full 360° frame rotation for quick, easy access to the back of your project. The adjustable extender bars allow placement of your frame to best suit your seating position and the position of your project for either lap or table use. This versatile needlework stand works, whether your passion is cross-stitch, needlepoint, crewel, embroidery, or quilting. It also provides an attractive furniture quality frame while your piece is in progress.

Set Includes:

- 2 side support pillars
- 2 12" extender bars
- 2 - 20" heavy duty (5/8" diameter) scroll rods with No Basting System
- 2 spacers
- 1 108" roll of No Basting Tape for Fabric
- 10 knobs

Price: € 6.49 (incl. VAT)

Individual Frame 8

da: American Dream

Modello: ACCADR-IF8NB

Perfect for both beginners and expert stitchers, American Dream frames are crafted from solid American Red Oak and hand finished with a special Golden Oak Stain.

This set includes: 2 Extender Bars 6" (the vertical bars); 2 Scroll Rods 8" Regular (1/2" diameter), with *No Basting System*, based on the use of a simple roll of velcro, to easily and firmly fix your project; a self-adhesive *No Basting System* Roll (16" long) and a set of four knobs. The 8" size mentioned refers to **the length** of the horizontal, scroll rods, which you're going to fix your project on through the *no basting system*, i.e. with no need of sewing anything, but by simply sticking a stripe of velcro on one side of the fabric and making it adhere to the corresponding stripe on the horizontal scroll rod. Of course, you'll have to do the same with the other scroll rod and once you are done with this simple operation, you can rotate the knobs, till reaching the desired tension of the fabric you're stitching on.

When you complete your stitching, just cut the velcro stripe and go on using your *no basting* frame for ever. The velcro tape must be purchased separately and please note: one kind is meant to be applied onto the fabric, while the other one goes on the scroll rods of the frame!

Price: € 32.50 (incl. VAT)

Scroll Rods 24"

da: American Dream

Modello: ACCADR-SR24RGNBS

24" horizontal scroll rods, to wind up your embroidery fabric, with the practical "No Baste" system, that absolutely involves no basting, but only rolling up the fabric on itself. These horizontal scroll rods must be combined with the vertical scroll rods in order to create your own personal frame. Made of solid birch hardwood, easily adaptable to many kinds of embroidery projects.

Price: € 25.04 (incl. VAT)
