

Threads & Yarns - Rainbow Gallery - Angora

Angora: RA01 White

da: Rainbow Gallery

Modello: FILRAIra01

A luxurious furry yarn that is 100% Angora. You must use pieces that are no longer than 20 inches. While not a fiber that will fall apart, you do not want to cause it to wear as you stitch. Come straight up through the canvas and straight down, being careful not to drag it along on top of the canvas or pull it on an angle. Rainbow Angora can be brushed carefully to bring out a more pronounced furry effect. Long stitches are preferred if you want a furry effect as fewer of the hairs of the fiber will be pulled into the canvas.

Expected restocking from Friday 30 September, 2022.

Price: € 7.36 (incl. VAT)
