Stitches to Go

da: Rainbow Gallery

Modello: LIBRAI-stitchestogo

by Suzanne Howren and Beth Robertson.
This is a fabulous book for those people on the go that don't want to carry along their whole needlepoint library. This book contains all the stitches from the three Stitches for Effect series in a compact form great for traveling or carrying to the little league games. A must have for every library. Every Stitch from the three books in the *Stitches for Effect series* is included.

Expected restocking from Friday 30 September, 2022.
