

Threads & Yarns - Rainbow Gallery - Arctic Rays

Arctic Rays: ice blu

da: Rainbow Gallery

Modello: FILRALar5

This yarn can best be described as a wispy fringe. It has pieces of transparent fiber that give a glistening effect. Do not drag this yarn across the canvas. Use a larger than normal needle to prepare the canvas holes to accept the Arctic Rays without pulling it apart. The glistening effect of this yarn is more pronounced with long stitches, as less of the fringe is pulled into the canvas. Arctic Rays also makes wonderful French Knots.

Expected restocking from Friday 30 September, 2022.

Price: € 3.74 (incl. VAT)
