The Knitter's Bible

da: David & Charles

Modello: LIBDC-9780715317990

The Knitter's Bible: The Complete Handbook for Creative Knitters

The essential handbook for knitters of all skill levels. Getting Started goes back to basics, with an overview of the yarns and equipment available today. It then takes you, step-by-step, through the basics of knitting, with knit and purl, casting on and binding (casting) off, and reading patterns. Creative Options expands upon the basics with further techniques, while Exploring Choices will provide even the experienced knitter with new ideas for interesting projects. The Stitch Library will become an indispensable reference to be constantly referred to. Finally, a wide selection of Patterns and Projects, linked back to the techniques throughout the book, provide plenty of opportunities to explore your developing skills and experiment with a variety of motifs to liven up any knitting.

Claire Crompton has been working with needlecrafts for over fifteen years. Following her degree in Knitwear Design she has worked in the knitting industry and as a pattern designer for major wool manufacturers such as Sirdar, Courtaulds and DMC. 160 pages.

Tilda's Toy Box

da: David & Charles

Modello: LIBDC-9781446306154

Tilda's Toy Box: Sewing Patterns for Soft Toys and More from the Magical World of Tilda

This time, Tone Finnanger brings her talent to a whole series of tender, soft toys, dolls and gifts for children: from lovely dolls, to funky monkeys, jungle creatures and swashbuckling pirates, together with cuddly whales and fishes! Together with the complete instructions to craft these characters - always so sweet and somehow always seeming to be taken directly from fairy tales - you'll find a wide range of proposals for our children's bedrooms, such as beautiful quilts and pillows.

The sewing patterns, extremely easy and so ideal for anyone, will explain step by step also how to craft the outfits and accessories of these soft toys, making them even more lively and highly customized!

A whole lot of delicate, pastel-color matchings and pictures in an exquisite light complete the pages of this wonderful volume: a must have for all Tilda's fans, but also a great "invitation" for all those who still don't know her so much! Don't miss it!

Style your Modern Vintage Home

da: David & Charles

Modello: LIBDC-9781446303443

Style Your Modern Vintage Home is an inspirational book for all vintage enthusiasts.

It encompasses everything vintage lovers want in one place: every vintage decade, every practical tip for buying, styling and restoring your vintage homewares and achieving your perfectly styled vintage home. With 'real' homes, 'real' people and 'real' affordable items, this book shows you how you can achieve a stylish vintage/modern home too. Vintage enthusiasts can see how these must-have items or styles work in their own home and how to integrate vintage with modern.

Each chapter covers a decade from the 1920s to the 1990s. Every chapter introduces the fascinating social history from that period and how what was going on in the world influenced the interior homes of that time. The chapters are divided by sub-sections for the main rooms in the house, including, living room, bedroom, kitchen, study, hall and even the garden, showing the must-have items from for those rooms in each period.

The Ultimate Kogin Collection

da: David & Charles

Modello: LIBDC-9781446307328

This is the first English language technique and project book focusing on the stunning art of kogin embroidery.

Discover the beautiful Japanese pattern darning technique kogin and how it can be used to create stunning stitched and quilted projects. Kogin is a variation of the popular Japanese embroidery technique sashiko and is rapidly becoming as popular as its big sister.

Japanese embroidery expert, Susan Briscoe, has compiled a collection of over 60 pattern charts - kogin is a counted embroidery technique - and 12 accompanying projects to create The Ultimate Kogin Collection, following on from her previous title The Ultimate Sashiko Sourcebook. The projects range from small and very accessible items such as simple greetings cards and coasters to larger projects including wall hangings and table runners. Author: Susan Briscoe

Raffia Crochet - 10 Contemporary Crochet Patterns with Raffia Ya

da: David & Charles

Modello: LIBDC-9781446307489

Wool and the Gang introduce you to the craft of crocheting with raffia, a breakthrough new yarn that is great for a wide range of summery projects. Light and eco-friendly, raffia yarn is made of 100% long wood fibre that adds structure to your projects, making it perfect for hats, bags and accessories.

This book includes 10 crochet projects all made using Wool and the Gang's Ra-Ra Raffia yarn in a range of colours. Projects include on-trend raffia items such as bags, hats and baskets, which are then further embellished with embroidery in raffia yarn too. General techniques are covered at the end of the book, with instructions accompanied by clear illustrations.

Sashiko (pronounced shash-ko) means 'stab stitch' and refers to the small running stitch that is worked to build up distinctive decorative patterns, of which there are hundreds. The book begins by exploring the origins of the technique to strengthen clothes and to make them warmer. Getting Started describes everything you need to begin stitching, including selecting suitable fabrics and threads, marking out patterns on the fabric, as well as the stitching technique itself. Ten project chapters show how easy it is to use sashiko patterns to make beautiful items for the home. The sashiko patterns are described in step-by-step detail in the pattern library, showing you exactly how to achieve each individual pattern with ease. Finally a gallery of work by contemporary Japanese textile artists provides extra inspiration.

Crumb Quilts

da: David & Charles

Modello: LIBDC-9781446308707

Tiny fabric scraps or 'crumbs' don't have to end up in the bin now you can learn how to use these crumbs to create 15 beautiful quilts and quilted projects to bust your stash. Author Emily Bailey explains how to make fabric from 'crumbs' which you can then cut to your preferred size and use as a quilt block, a dramatic background fabric or as a piece of appliqué for added texture and interest. These instructions include step-by-step photography for extra clarity for all the quilting techniques you will need to sandwich, baste and build your quilts and projects.

Emily also shares her tips and tricks for how to group fabric colors and prints in order to get the best results. In addition there are also step-by-step instructions for 15 stunning quilted projects including full-size bed quilts and smaller projects including a pillow and pin cushion. Other quilts include Under The Sea a crumb quilt featuring a whole host of scrappy sea creatures and Night Sky a dramatic quilt which uses crumbs to create a richly textured background with crumb appliqué for the stars and planets.

So why not take another look at your own stash of crumbs and get patchwork and quilting the zero waste way!

Elemental Macramé

da: David & Charles

Modello: LIBDC-9781446308790

This unique and beautiful book celebrates each of the Earth's sacred elements with projects that even beginners to macramé can tackle with ease. In nature, each element has its own specific properties, colors and stones associated with it, which these projects incorporate to dramatic effect. The 20 projects all draw their inspiration from nature and the elements. Many of the projects have crystals incorporated into them, for the good vibrations and healing energy they bring. You'll also learn how to dip-dye macramé for wonderful ombre effects and work with a variety of different coloured cords to bring beauty and interest to your pieces.

Simply Stitched with Punch Needle

da: David & Charles

Modello: LIBDC-9781940552651

Embroidery lovers, expand your stitching repertoire to include punch needle! Discover the art of punch needle with this collection of 11 special projects from Japanese embroidery artist Yumiko Higuchi. This series of sweet little projects will teach you how to achieve rich, three-dimensional textures and finishes with your fibre art, all using a punch needle pen and embroidery floss. In this curated collection, Yumiko offers her simple, modern spin on classic embroidery projects, including brooches, pouches, coasters, samplers, pillows, and hoop art. Inspired by the colours and shapes of nature, her designs feature fruit, flowers, leaves, gemstones, and animals. She explores different punch needle techniques, utilizing traditional embroidery floss to create a variety of textures and shapes. This lovely introduction to punch needle is designed for modern makers who love Yumiko Higuchi's style and are interested in exploring this fun craft. Once you get started with this rhythmic, meditative needle art, you won't be able to stop! The book is in English.

New School Macramé

da: David & Charles

Modello: LIBDC-9781446309070

In this book, fibre artist Terri Watson shares her new school approach to creating contemporary knotted macramé canvases, using just a few simple knots.

Terri shares many of her knotting techniques: including how to create vertical clove hitch knot fibre art that is as polished on the back as it is on the front; how to finish a piece using her signature streamlined scroll finish and how to incorporate different colours to create beautiful knotted tapestries.

This book features an extensive library of over 100 patterns and designs that you can use to create 10 projects including wall art, plant hangers, pot covers, garlands, table mats, and even show-stopping denim jacket panels that will turn your threads into walking works of art.

The book is in English.
