HeatnBond Liquid Vinyl

da: Therm O Web, Inc.

Modello: ACCCEN-3919HB

Make your favorite fabrics stain-resistant, water-resistant and even waterproof with new HeatnBond Liquid Vinyl from Therm O Web. Simply paint on a thin layer, let dry and then iron to create a smooth, protective finish. Create different effects, including a semi-gloss oilcloth look, by applying multiple layers. Treated fabrics maintain a very soft hand, perfect for any project from apparel to home decor. Use on wearables like ponchos, backpacks as well as placemats, tote bags, and more! Oilcloth effect. Stain-Resistant. Waterproof. Clear and flexible once dry. Can be machine sewn. Wipes clean with a damp cloth. Nontoxic & Phthalate Free. This package contains 8.68 ounces of liquid vinyl. Made in the USA.

Price: € 21.02 (incl. VAT)
