Déco feutrée

Designer Joëlle Brument Dauvergne had chosen felt to support all her pop, bubbly and colorful creations. Decorate your rooms with her 20 new graphic and modern creations: from doorstoppers to pillows, rugs, keychains and blankets.. all made of felt!

This book makes good use of both sewing and stitching, in order to reinvent the classical way to use felt, a material that's easy to work with, and which gives incredible results, ideal for beginners. Every project is followed by a real size pattern and detailed instructions: just let your creativity do the rest!

After a master degree in floral art and studying fine arts, Joëlle Brument Dauvergne discovered the beauty of working with threads: patchwork, stitching and working with felt and wool. This is Joëlle's universe, modern artist mostly appreciated in France.
