Decorative Painting: dipingere e decorare con i fiori

da: To-Do

Modello: LIBTODO-67045

This useful second manual by To-Do© is dedicated to Decorative Painting.

The Decorative Painting technique was born in the United States and widespread all over the world. Its success has been implemented by its easiness. Everybody can realize these patterns which are beautiful to create and to show. Results are astonishing!

This second manual is for those who can already use brushes and painting techniques. 34 pages and patterns.

Price: € 6.65 (incl. VAT)

Country Painting: Dipingere con Stile

da: To-Do

Modello: LIBTODO-85205

Country Painting is the third practical guide To-Do® on Decorative Painting, a technique well known in the USA and spread all over the world thanks to its easy methods which allow everybody (also those who do not have a bent for art) to reach wonderful results. This book has the aim to offer to painting lovers a wonderful technique and a useful way to improve one's style.

Page after page, listen to the feelings evoked by images, far or close places, personal or universal experiences. Go through sugary colors to teddy bears, from oriental magic to vintage subjects in country style etc...

40 pages and patterns.

Price: € 6.65 (incl. VAT)
