Big Eye Beading Needles

da: Beadalon

Modello: ACCBEA-JNEED-2.25-254486

Made from high-tensile stainless steel Beadalon wire. The eye almost spans the entire length of the needle making it easy to thread. Very flexible and works well for stringing beads individually or from a bead tray. Pack of 4 needles (each 2.25" long).

Designer Beading Awl

da: Beadalon

Modello: ACCBEA-206A-010

Deluxe rubberized handle helps control tip placement. Thin smooth tip helps secure and position knots without fraying silk thread or other fibrous materials. Stainless steel box joint construction improves leverage and dependability; rounded handles are coated for comfort.
