

Threads & Yarns - Beadalon - Nymo

Nymo Thread White

da: Beadalon

Modello: FILWIC40218S-122A-001

Nymo Thread is an excellent choice for stringing Seed Beads and other small beads. It's easy to thread and is considered a basic element for a variety of stringing, looming, and stitching needs. Nymo Thread consists of non-twisted fiber filament and is ideal for stringing craft projects and creating wearable beaded jewelry.

100% nylon. 58.5mt. bobbin (0.3mm.)

Price: € 5.86 (incl. VAT)
