Cross Stitch Treasures For Children
27 tender, funny and cuddly projects, just like babies and children are, whom [Joan Elliott](#) dedicates all her artistic flair in this book. Starting with a personalized birth sampler and passing through all baby's favorite cuddly critters, you'll find a set of colorfully illustrated ABCs for growing children, too, as well as a fairy for girls and a dragon for boys, together with some nursery rhymes for both of them. And then nameplates for hanging on your child rooms' door, or to be stitched on a T-shirt or a sweatshirt. Finally, a full collection of small motifs, to be stitched for quick projects, like birthday cards! 48 pages.
