From Me to You

da: Joan Elliott

Modello: SCHJEL-FROMMETOYOU

Stitch Count: 56 x 66

*"Dear Friends,
these are difficult days for our world. I have been
thinking of everyone, hoping that you, your loved
ones and friends are staying safe.
Here is a little gift from me to you to lighten your
days and bring some distraction from the hard
realities we all face now.
As spring arrives, I dream of a walk in a sunny
meadow, the fresh colors of the season bringing
joy and hope in the days to come.
I have included both a black & white and a colored
chart.
I wish you all a world of love and peace. XoX Joan"*
