Fall on the Farm Kit

da: Little House Needleworks

Modello: SCHLNH-FALL-ON-THE-FARM-K

9 patterns in 9 months, all “nestled” in views of typical US farms, with their barns and number of characters - humans, animals and plants - livening them up. Starting in December, so to finish stitching everything by September 2022, just on the threshold of the next Fall. The patterns are all little squares with a 63x63 stitch count and set together they form a lovely sampler with a stitch count of 195x195. All squares, in fact, must be arranged in horizontal rows, each with 3 squares, and leaving 3 stitches between the blocks. All 9 patterns are stitched on a 32ct Belfast Linen, hand-dyed exclusively for this occasion by Judith of xJuDesign, with hand-dyed threads from Classic Colorworks.
