

Threads & Yarns - Gütermann - Sulky Holoshimmer

Holoshimmer 200m. - 6007 - Gold

da: Gütermann

Modello: FILGUT-709948-6007

200 meters of a thread that's more than simply metallic: this product from Gütermann, in fact, is a thin, flat fiber made with polyester (60%) and polythene (40%) resulting into a thread never seen before, thanks to its sparkling look, typical of the holographic technology. Mainly conceived for machine embroidery, but ideal for any creative sewing project, as well as for needlework and wherever an absolutely glittering look is requested.

Price: € 5.58 (incl. VAT)
