## Darning egg

da: Bohin

Modello: ACCBOH-75389

A tool conceived to mend holes in socks and garments. Used by our grandmothers, it's still very useful to this day. Why throw away a good pair of socks if all it needs is a few stitches?! Also ideal for little DIY works such as the making of easter eggs, doll faces and much more!

**Price: € 4.65** (incl. VAT)

## Tracing wheel

da: Bohin

Modello: ACCBOH-BOH75387

This vintage-style pounce wheel with wooden handle is perfect for the transfer of markings from patterns onto fabric with or without tracing paper. Thanks to its multiple extra sharp metal teeth, it will guarantee perfectly clear markings.
