## Sizzix Big Shot Pro Machine (White & Gray)

da: Ellison

Modello: ACCSIZZ-660550

Presenting a brand new look for the Big Shot Pro! For the crafter who wants it all comes the pro-strength machine that does it all. From our smallest dies to our biggest 12" wide plastic-backed variety and embossing tools, the Big Shot Pro Machine works with any Sizzix die or embossing folder to create an amazing assortment of craft shapes. For added versatility, these machines are compatible with SureCut dies from our Ellison education brand, plus most other brands of steel-rule dies. If that wasn't enough, this industrial strength roller machine cuts and embosses many different materials. Create your own one-of-a-kind cards, invitations, scrapbook pages, home décor, fashion, altered art, quilting and much more! (To ensure compatibility, always check machine and accessory requirements. Machine accessories may be sold separately.) The Big Shot Pro Machine measures approximately 24 1/4" x 15" x 7 1/2" and features a three-year limited warranty.
