Touch Of Nature Chenille Stems 6mm - Pink

da: Midwest Design

Modello: KITCEN-CHEN25-62041

These chenille stems, constructed from high quality fiber and wire, are full and fuzzy, perfect for your arts and crafts projects.

Flexible and malleable, they are easy to twist, bend and or wrap into any shape, straightened and reshaped as needed while maintaining their strength and structure.

They can also be cut to custom lengths, glued, formed, and used in countless craft projects for kids and adults such as holidays décor, home decoration, and general craft use

Package includes 25 pieces

Each: 6mm x 12 inch (30,5 cm) length

Price: € 2.75 (incl. VAT)
