

Yin and Yan

da: Artibalta

Modello: SCHDP-AZ-1402

Brand new and straight from the East, A brand new creative idea, straight from the East! It's Diamond Painting (though also known as Diamond Stitching and Diamond Mosaic) and guarantees an amazing result, ideal for wonderful home decor! Easy to do and suitable even for little ones, all "Diamond" projects are made by simply completing an image, with small synthetic crystals.

All you have to do is removing part of the protective film on the pre-printed, adhesive canvas and place the crystals, by following the provided color/symbol key: do not remove the protective film completely at once and just apply the crystals with the tweezers (also included), trying to push them slightly and placing them as close as possible to each other and... You'll see your project grow up and get more and more breath-taking, step by step.

A highly creative and entertaining hobby, for an amazing result!

The kit includes:

- pre-printed canvas, with special adhesive layer and peel-off, protective film;
- 2.5X2.5 mm acrylic rhinestones (crystals), with 9 edges, for better and brighter light reflection;
- tweezers and crystal box.

Size: 50 cm. x 40 cm.

Spring mood

da: Artibalta

Modello: SCHDP-AZ-1315

Brand new and straight from the East, A brand new creative idea, straight from the East! It's Diamond Painting (though also known as Diamond Stitching and Diamond Mosaic) and guarantees an amazing result, ideal for wonderful home decor! Easy to do and suitable even for little ones, all "Diamond" projects are made by simply completing an image, with small synthetic crystals.

All you have to do is removing part of the protective film on the pre-printed, adhesive canvas and place the crystals, by following the provided color/symbol key: do not remove the protective film completely at once and just apply the crystals with the tweezers (also included), trying to push them slightly and placing them as close as possible to each other and... You'll see your project grow up and get more and more breath-taking, step by step.

A highly creative and entertaining hobby, for an amazing result!

The kit includes:

- pre-printed canvas, with special adhesive layer and peel-off, protective film;
- 2.5X2.5 mm acrylic rhinestones (crystals), with 9 edges, for better and brighter light reflection;
- tweezers and crystal box.

Size: 40 cm. x 30 cm.

da: Artibalta

Modello: SCHDP-AZ-1952

Brand new and straight from the East, A brand new creative idea, straight from the East! It's Diamond Painting (though also known as Diamond Stitching and Diamond Mosaic) and guarantees an amazing result, ideal for wonderful home decor! Easy to do and suitable even for little ones, all "Diamond" projects are made by simply completing an image, with small synthetic crystals.

All you have to do is removing part of the protective film on the pre-printed, adhesive canvas and place the crystals, by following the provided color/symbol key: do not remove the protective film completely at once and just apply the crystals with the tweezers (also included), trying to push them slightly and placing them as close as possible to each other and... You'll see your project grow up and get more and more breath-taking, step by step.

A highly creative and entertaining hobby, for an amazing result!

The kit includes:

- pre-printed canvas, with special adhesive layer and peel-off, protective film;
- 2.5X2.5 mm acrylic rhinestones (crystals), with 9 edges, for better and brighter light reflection;
- tweezers and crystal box.

Size: 60 cm. x 40 cm.
